Reference:

Keith Hurrell & his Company South Essex Electrical Limited, has successfully undertaken a number of fast track fit-out projects for us, including, but not exclusively, student accommodation, student union buildings & leisure areas, and office schemes.

We have always been satisfied with the service provided, which was both, professional, competitively priced & on programme.

Mr Hurrell is very commercially & contractually aware and as such, very easy to do business with.

I recommend his services to you.
